ITEM 3.01 NOTICE OF DELISTING OR FAILURE TO SATISFY A CONTINUED LISTING RULE OR STANDARD

On April 28, 2017, FieldPoint Petroleum Corporation (the “Company”) received notification from the NYSE American (“NYSE American” or the “Exchange”) that it was noncompliant with the NYSE MKT continued listing standards; specifically Section 1003(a)(ii) of the Company Guide. The Company previously submitted a Plan to the Exchange to regain compliance with Section 1003(a)(i) by November 13, 2017 that was accepted by the Exchange. Although the Company has been working diligently on several initiatives to regain compliance with the NYSE American continued listing standards by the imposed deadline, it has been unable to do so by the November 13, 2017 deadline. As a result, the Company has been issued a notice of its delisting from the Exchange. Pursuant to the notice, the trading of the Company’s common stock on the Exchange will be suspended effective November 27, 2017.

The Company’s common stock will be quoted on the OTC.QB of the OTC Markets Group, Inc. We will issue a press release and file a Current Report on Form 8-K when the quotation listing becomes effective.

ITEM 4.01 CHANGES IN REGISTRANT'S INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

Effective November 16, 2017 the Company’s independent registered public accounting firm, Hein & Associates LLP, combined with and into Seattle-based accounting firm Moss Adams LLP (the “Combination”). As a result of the Combination, Hein’s partners, employees, offices and clients were folded into Moss Adams LLP resulting in the Company’s change of accounting firms.

In the period from Hein & Associates, LLP’s appointment to the effective date of the Combination, there were no disagreements with Hein & Associates LLP on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of Hein & Associates, LLP would have caused Hein & Associates LLP to make reference to the matter in its report on the Company’s financial statements; and there were no reportable events as defined in Item 304(a) (1) of Regulation S-K. Hein & Associates LLP issued audit reports on our financial statements as of and for the years ended December 31, 2016 and 2015 which reports each included an explanatory paragraph concerning the Company’s ability to continue as a going concern.

As a result of the Combination, Moss Adams LLP will become the Company’s independent registered public accounting firm.

The Company has provided Hein & Associates LLP with a copy of the above disclosures. Attached as Exhibit 16 is a copy of Hein & Associates LLP’s letter, dated November 20, 2017, stating its agreement with such statements.
